Dear Ms. Newmyer:

This is to acknowledge receipt of a license fee of \$3,000.00 and a completed application for a license to operate Washington Adventist Hospital. We have also received the survey findings of The Joint Commission which reports that your hospital has been granted accreditation effective for three years beginning October 21, 2013. This license is therefore issued to reflect the accreditation date.

In accordance with Health-General Article 19-323, this license will remain in effect for the term of accreditation by The Joint Commission. The Department of Health and Mental Hygiene retains the authorities as specified in Health-General Article 19-308, 308.2, 309, 310, and may revoke this license for failure to comply with its provisions. It is the hospital's authority to operate an Acute General Hospital.

This license should be displayed in a conspicuous place, at or near the entrance to the hospital, plainly visible and easily read by the public.

Sincerely,

Patricia Tomsko Nay, MD, Director
