

EXHIBIT 15

UM BWMC provides the information below regarding charges for common procedures and services to help patients plan for health care expenses. The chart below includes the average range of fees associated with common procedures and services. The cost for services is based on a specific patient's condition. The chart below can help you estimate your costs which might be higher or lower. For additional help with estimating charges, please contact our Pre-Registration Department at 410-787-4437.

To apply for financial assistance for hospital charges, contact our Patient Financial Services Department at 410-787-4440.

Physician-related charges are not included in the chart below. They are billed separately. Contact your physician's office with questions about their fees.
