Dear Mr. McDonald,

This letter is in response to the current certificate of need application for Suburban Hospital in Bethesda Maryland. Suburban Hospital is currently licensed and in good standing with the Office of Health Care Quality. The current license is based on the hospital's most recent survey by The Joint Commission, which concluded on May 14, 2015. The hospital's accreditation by The Joint Commission was continued as a result of that survey. The hospital also remains certified for Medicare under the Centers for Medicare and Medicaid Services. Our records indicate that there are no outstanding complaints against this hospital.

Please feel free to contact me if you have any questions.

Sincerely,

Renee B. Webster
Assistant Director for Hospitals and HMOs
