Re: Broadmead, Inc.
Application for Certificate of Need
Docket No.: 17-03-2394

Dear Mr. McDonald:

In its correspondence of August 7, 2017, Broadmead requested to reconfigure the designation of its beds and restrict forty-eight (48) of its public beds for its continuing care residents. However, after discussion with Commission staff, Broadmead is withdrawing its request to modify its application by designating some of its public beds as restricted beds for its continuing care residents.

Thank you for your attention to this matter.

Very truly yours,

Rose M. Matricciani
