**Re: Second Completeness Questions for CON Application to Expand a Home Health Agency
in Upper Eastern Shore
Matter # 18-R1-2424**

Dear Mr. Abraskin,

Commission staff has reviewed the above referenced application for Certificate of Need (“CON”) approval to expand a home health agency into jurisdictions of the Upper Eastern Shore Region that Amedisys Maryland, LLC, d/b/a Amedisys Home Health (“Amedisys Home Health”) is not currently authorized to serve. Staff found the application incomplete, and accordingly, requests that you provide responses to the following question:

Part II: Consistency with Review Criteria at COMAR 10.24.01.08G(3)

Financial Accessibility

1. In the chart provided as the response to question two, “Private Pay” and “Medicaid” were listed on the same row. Please separate those two payor types on to two different rows and provide an updated version of that same payor chart.

Please submit four copies of the responses to the additional information requested in this letter within ten working days of receipt. (Note: extensions are routinely available upon request). Also submit the response electronically, in both Word and PDF format, to Ruby Potter (ruby.potter@maryland.gov) and Laura Hare (laura.hare1@maryland.gov).
