**Joint discussion with
Vulnerable Populations**

2. Discussion of Guiding Principles
3. Anna Sierra, Overview transportation models and financing
4. Additional questions to consider:
 - a. How could the Queen Anne's Mobile Integrated Health Team be sustained and supported (in addition to its current grant funding)? Should this program/concept be replicated in other areas in upper/mid-shore?
 - b. What are the essential components to creating, implementing, and sustaining successful care coordination programs in rural areas? What are the current models to be replicated?
 - c. How could innovative programs that expand access and serve vulnerable populations be sustained?
