

Clinical Advisory Group
Requirements of Senate Bill 776, *Telemedicine Task Force* –
Maryland Health Care Commission

July 2013

The below topics of discussion are aimed at achieving the requirements of Senate Bill 776, [Telemedicine Task Force – Maryland Health Care Commission](#) (SB 776) and have been assigned to the Telemedicine Task Force Clinical Advisory Group. Please use these discussion topics to guide the development of recommendations from the advisory group.

1. The role of telemedicine in advance primary care delivery models; innovative service models for diverse care settings
2. Use cases for evaluation (e.g. stroke, dermatology, emergency services, etc.)
3. Patient engagement, education and outcomes
4. Health professional productivity, resources and shortages; underserved population areas
