

## PATIENT CENTERED MEDICAL HOME

### **You Are Cordially Invited**

Dear Maryland Multi-Payer Program Clinician,

The Maryland Health Care Commission's kick-off of the Maryland Multi-Payer Program will be held on **Tuesday evening, April 12, 2011 at the Baltimore Marriott Waterfront, 700 Aliceanna Street, Baltimore, Maryland at 6:00 p.m.** Dinner will be served. In collaboration with Merck & Co. Inc., we will introduce you to the Maryland PCMH program team and the Learning Collaborative program team.

Our keynote speaker for the evening will be Dr. James Barr, a practicing family physician and medical director for the Central Jersey Physician Network IPA and Partners in Care, a physician-led organization in New Brunswick, New Jersey. His medical practice was an early adopter of the Patient Centered Medical Home model and currently utilizes electronic health records, patient registries, and hand-held technology to participate in New Jersey's Patient Centered Medical Home pilot for employers. Dr. Barr has also worked with large self-insured clients to implement incentive-based models designed to enhance the quality of care for employees.

Merck & Co., Inc. is supporting this program by contracting for the speakers and providing both the venue and the dinner. Please contact Ms. Judy Lee Nguyen, RPh, via email at [judith\\_leenguyen@merck.com](mailto:judith_leenguyen@merck.com) no later than April 8, 2011 if your practice's designated PCMH Champion (your leader and decision-maker) and a key team member from your practice will be able to join us.

For more information on the Maryland PCMH program, please contact the Commission's program staff at 410-764-3570 or via email at [krezabek@mhcc.state.md.us](mailto:krezabek@mhcc.state.md.us)
