

MARYLAND HEALTH CARE COMMISSION

SCHEDULES FOR CERTIFICATE OF NEED REVIEW

The Maryland Health Care Commission provides the following schedules to interested members of the public and sponsors of health care facility and service projects subject to Certificate of Need (“CON”) review and approval. Not every type of project subject to the requirements of CON review and approval is included in this review schedule. In these cases, persons seeking CON approval for a project may file a letter of intent at any time. (See COMAR 10.24.01.07 and .08 for additional information on CON application filing and project review.)

The general criteria for Certificate of Need review are set forth at COMAR 10.24.01.08G(3). An applicant must demonstrate that the proposed project is consistent with these review criteria. It will be noted that the first criterion is evaluation of the project according to all relevant State Health Plan standards, policies and criteria.

This Certificate of Need review schedule updates the schedule published in the *Maryland Register*, Volume 46, Issue 20, pages 878-881 (September 27, 2019). This review schedule is not a solicitation by the Commission for Certificate of Need applications, and does not indicate, in and of itself, that additional capacity is needed in services subject to Certificate of Need review, or that Certificate of Need applications submitted for the services described will be approved by the Commission.

Applicants are encouraged to discuss their development plans and projects with the Commission Staff prior to filing letters of intent or applications.

Letters of Intent and applications for scheduled reviews may only be received and reviewed according to these published schedules. All Letters of Intent and Certificate of Need applications, including all of the required number of copies of CON applications, must be received at the offices of the **Maryland Health Care Commission, 4160 Patterson Avenue, Baltimore, Maryland 21215, no later than 4:30 p.m.** on the scheduled date of submission. Letters of intent for projects not covered by this review schedule may be filed at any time.

For further information about review schedules or procedures, call Kevin McDonald, Chief, Certificate of Need, at (410) 764-5982.

The Commission will use the following regional configuration of jurisdictions for the General Hospital Project, Special Hospital Project, Freestanding Ambulatory Surgical Facility Project, and Schedule Two Comprehensive Care Facility Project Review Schedules:

Western Maryland: Allegany, Frederick, Garrett, and Washington	Central Maryland: Anne Arundel, Baltimore City, Baltimore County, Carroll, Harford, and Howard
Eastern Shore: Caroline, Cecil, Dorchester, Kent, Queen Anne's, Somerset, Talbot, Wicomico, and Worcester	Montgomery & Southern Maryland: Calvert, Charles, Montgomery, Prince George's, and St. Mary's

General Hospital Projects

The Commission hereby publishes the following schedules for the submission of Certificate of Need applications by general hospitals, for projects that involve: (1) capital expenditures by or on behalf of general hospitals that exceed the applicable capital expenditure threshold referenced at COMAR 10.24.01.02A(5); (2) proposed changes in bed capacity or operating room capacity at existing hospitals; (3) the relocation of a general hospital; and/or (4) a change in the type or scope of any health care service offered by a general hospital, as specified at COMAR 10.24.01.02A, except for neonatal intensive care. Please note that the following schedule does not apply to a project to establish a new general hospital.

Comprehensive Care Facility/Nursing Home Projects

The Commission hereby publishes the following two schedules for Certificate of Need review of proposed projects affecting comprehensive care facilities ("CCFs") or nursing homes. Schedule One identifies the review cycles for proposals involving the addition of CCF beds in Maryland jurisdictions in which the most recent bed need projection published in the *Maryland Register* identifies a net need for beds in the forecast year and for which no letters of intent or applications have been filed. Persons interested in submitting Certificate of Need applications involving the addition of beds in these jurisdictions should contact the Maryland Health Care Commission to ascertain the current level of net bed need, if any, identified for these jurisdictions prior to the filing of a Certificate of Need application. Schedule Two establishes submission dates for Certificate of Need applications related to all other CCF projects that do not involve an increase in CCF bed capacity in the jurisdiction in which the project is located. These include projects that involve a proposed capital expenditure for new construction or renovation at an existing CCF, the relocation of an existing facility, or the proposed relocation of some or all of the CCF bed capacity from an existing facility to a new site within the same jurisdiction.

Cardiac Surgery Services

The Maryland Health Care Commission provides the following schedule for the review of applications for Certificates of Need (“CON”) by general hospitals seeking to introduce cardiac surgery services. An applicant must demonstrate that the proposed project is consistent with the general criteria for CON review set forth at COMAR 10.24.01.08G(3). This review schedule is not a solicitation by the Commission for CON applications, and it does not indicate that additional capacity is needed or that CON applications submitted will be approved by the Commission. Applicants are encouraged to discuss their development plans and projects with the Commission staff prior to filing Letters of Intent or applications.
