

MARYLAND HEALTH CARE COMMISSION

SCHEDULES FOR CERTIFICATE OF NEED REVIEW

The Maryland Health Care Commission provides the following schedules to interested members of the public and sponsors of health care facility and service projects subject to Certificate of Need ("CON") review and approval. Not every type of project subject to the requirements of CON review and approval is included in this review schedule. In these cases, persons seeking CON approval for a project may file a letter of intent at any time. (See COMAR 10.24.01.07 and .08 for additional information on CON application filing and project review.)

The general criteria for Certificate of Need review are set forth at COMAR 10.24.01.08G(3). An applicant must demonstrate that the proposed project is consistent with these review criteria. It will be noted that the first criterion is evaluation of the project according to all relevant State Health Plan standards, policies, and criteria.

This Certificate of Need review schedule updates the schedule published in the *Maryland Register*, Volume 47, Issue 16, pages 772-775 (July 31, 2020). This review schedule is not a solicitation by the Commission for Certificate of Need applications, and does not indicate, in and of itself, that additional capacity is needed in services subject to Certificate of Need review, or that Certificate of Need applications submitted for the services described will be approved by the Commission.

Applicants are encouraged to discuss their development plans and projects with the Commission Staff prior to filing letters of intent or applications.

Letters of Intent and applications for scheduled reviews may only be received and reviewed according to these published schedules. All Letters of Intent and Certificate of Need applications, including all of the required number of copies of CON applications, must be received at the offices of the Maryland Health Care Commission, 4160 Patterson Avenue, Baltimore, Maryland 21215, no later than 4:30 p.m. on the scheduled date of submission. Letters of intent for projects not covered by this review schedule may be filed at any time.

For further information about review schedules or procedures, contact Wynnee Hawk, Chief, Certificate of Need, at (410) 764-5982 or wynnee.hawk1@maryland.gov

Schedule One identifies the review cycles for proposals involving the addition of CCF beds in Maryland jurisdictions in which the most recent bed need projection published in the *Maryland Register* identifies a net need for beds in the forecast year and for which no letters of intent or applications have been filed. Persons interested in submitting Certificate of Need applications involving the addition of beds in these jurisdictions should contact the Maryland Health Care Commission to ascertain the current level of net bed need, if any, identified for these jurisdictions prior to the filing of a Certificate of Need application.
