Note: Non-Death Discharge will not always add up to the sum of non-death discharges because it may include prior years readmissions, and readmissions are not included in the Total Patients Served category.

Datasource: MHCC Hospice Survey 2017. Data collection period FY2017. Patient Volume by County.

## Hospice Patients Served in Maryland By Primary Diagnoses, 2017

Note: These data include 83 patients served outside of Maryland. These data include only patients admitted that year, no carryovers.  
 Datasource: MHCC Hospice Survey 2017. Data collection period FY2017. Patients by Primary Diagnosis
