PRESENTER BIO

Marc Rabner

Chief Medical Officer
CRISP Shared Services

Dr. Marc Rabner, MD, MPH, is a pediatrician and preventive medicine physician who is Chief Medical Officer at CRISP Shared Services (CSS). He is passionate about enhancing coordination in the healthcare system to improve patient outcomes and address complex healthcare challenges across clinical, community, and public health sectors. Dr. Rabner helps ensure that CSS's tools offer practical value to the care

team and positively impact patients' lives.

In his role as a pediatrician at Children's National Hospital, Dr. Rabner provides care to hospitalized children. Dr. Rabner completed his general pediatrics training at the Children's Hospital of Philadelphia and his residency in General Preventive Medicine and Public Health at the Johns Hopkins Bloomberg School of Public Health where he also received a Master of Public Health. He obtained a Doctor of Medicine from the University of Pennsylvania School of Medicine and completed his Bachelor of Science at Emory University. He lives outside Baltimore with his wife and two daughters.
