CYBERSECURITY SYMPOSIUM

Reevaluating Security, Risk and Governance to Ensure a Well-Rounded Approach to Cybersecurity

October 23, 2019 | 3:30 – 6:00pm | Maryland Hospital Association, Pierson Room

AGENDA

3:30 pm | **Check-in, beverages, hors d'oeuvres, and networking**

4:00 pm | **Opening Remarks**

> **Ben Steffen**
>
> *Executive Director, Maryland Health Care Commission*
>
> **Kathryn Whitmore**
>
> *Maryland HIMSS Chapter President*

4:15 pm | **A Layered Approach to Cybersecurity: People, Processes, and Technology**

> *Cybersecurity is the top concern for CEOs in the United States, according to a 2019 Conference Board survey of more than 800 CEOs and 600 C-suite members. Reputational damage, financial loss, and trade secret vulnerability can be directly related to your business strategy for addressing key cyber challenges. Hear from an industry expert on subjects like ransomware, securing IOT, and additional resources for picture archive protections and telemedicine.*
>
> **Donna Dodson**
>
> *Chief Cybersecurity Advisor and Fellow,* **National Institute of Standards and Technology**

5:00 pm | **Breaking the Divide between Governance and Operational Cybersecurity**

> *Learn how the C-suite and other executive leadership are embedding cybersecurity into all business activity and making strategic decisions with cyber-risk in mind. A unified approach to cybersecurity with leadership in governance and operational controls informs an integrated strategy to evaluate vulnerabilities, reduce cyber risk, and prepare adequate response and recovery activities.*
>
> **Panel Discussion**
>
> **Chris Jensen, JD, Moderator**
>
> *Federal Business Development and Capture Manager,* **Tenable**
> *Former Senior Director of Homeland Security Programs,* **General Dynamics**
>
> **Christopher Chute, MD, DrPH**
>
> *Bloomberg Distinguished Professor of Health Informatics*
> *Professor of Medicine, Public Health, and Nursing*
> *Chief Research Information Officer, Johns Hopkins Medicine*
> *Deputy Director, Institute for Clinical and Translational Research*
> **Johns Hopkins University**

Jennifer Anthony, MS, PMP

Managing Director of IT, **Lorien Health Services**
