

Telehealth Policy Workgroup

November 12, 2020 Meeting Summary

- The Maryland Health Care Commission (MHCC) called the meeting to order at 3:00pm.
- The MHCC presented feedback received from the workgroup on the select six telehealth policy relaxations that made telehealth more widely accessible during the public health emergency.
- The workgroup deliberations focused on gathering feedback on essential elements that will inform expansion of telehealth policies in the State, including originating site requirements and audio only services. It was noted that more robust data pertaining to utilization, quality, cost, and patient satisfaction is needed before defining certain telehealth policies.
- Next steps were overviewed by MHCC.
- The meeting was adjourned at 5:00pm.
