

Agenda Item 3

**Table 5: Psychiatric Discharge Volume for Non-Maryland (nMD) Residents
at Maryland Hospital Locations by Health Planning Region (HPR) and Age Group, CY 2017**

Hospital Location by HPR	Discharges for nMD Children		Discharges for nMD Adolescents		Discharges for nMD Adults		Discharges for nMD Geriatric Adults		Discharges for nMD All Age Groups	
	Number	HPR Percentage	Number	HPR Percentage	Number	HPR Percentage	Number	HPR Percentage	Number	HPR Percentage
Central	66	5.3%	24	4.6%	1,230	6.5%	121	5.4%	1,441	6%
Western	127	45.5%	44	37.9%	403	16.2%	27	16.9%	601	20%
Montgomery	8	5.1%	8	8.8%	497	8.7%	30	7.9%	543	9%
Southern	N/A	-	0	0%	269	7.1%	14	6.0%	283	7%
Eastern Shore	N/A	-	N/A	-	102	6.5%	9	6.6%	111	6%
Total	201	-	76	-	2,501	-	201	-	2,979	8%

Source: MHCC staff analysis of HSCRC discharge data, private psychiatric hospital data, and DC discharge data, for CY 2017.

Notes: Patient origin is grouped by the current Maryland health planning regions. Hospital location is grouped by the current Maryland Health Planning regions and the District of Columbia (DC). The Central health planning region (HPR) includes Baltimore City and the counties: Anne Arundel, Baltimore, Carroll, Harford, Howard. The Western HPR includes the counties: Allegany, Frederick, Garrett, and Washington. The Southern HPR includes the counties: Calvert, Charles, St. Mary's, and Prince George's. The Eastern Shore HPR includes the counties: Caroline, Cecil, Dorchester, Kent, Queen Anne's, Somerset, Talbot, Wicomico, and Worcester. N/A means that no hospital in an HPR has a program for the age group indicated.
