1. Welcome and Introductions
2. Charge for the Workgroup: The purpose of the work group is to look at the current role of the MHCC in working with nursing home acquisitions and how acquisitions are impacting quality of care in nursing homes. The work group will also make recommendations regarding the breadth of the MHCC's authority over acquisitions and if more time is required (30 vs. 60 days) to complete a review. The work group will look at two main areas related to acquisitions that are impacting quality of care: private equity and multiple-bed rooms (defined as nursing home rooms with more than two beds in a room).
3. Review of SB509/CH0288
 - a. Timeline for the Workgroup-5 Meetings
 - b. Final Report Due December 1, 2023
 - c. Workplan review
4. [Nursing Home Acquisitions Process](#): Dr. Tricia Nay, Office of Health Care Quality
5. Review Current Federal/State of Initiatives/Literature: How Do Nursing Home Acquisitions Impact Quality?
6. Review of the Comprehensive Care Facility State Health Plan ([COMAR 10.24.20](#))
