

Primary Care Workgroup Subgroup

Meeting Summary

February 24, 2023 | 1:00pm – 2:00pm

- Staff reviewed the approach for utilizing the framing questions to inform the primary care measures strategy
- The subgroup deliberated on the prioritized potential measurement approaches and rationales across operational elements that could be used for measures
- Staff plan to reconvene the full workgroup on February 27th to present the prioritized recommendations for measurement
