

Institutional Review Board Certification Determination of Not Human Subjects Research

Principal Investigator/Project Director: Don Jang

Department: Stats and Methodology

IRB Protocol Number: 21-03-185

Protocol Title: AHRQ Innovations in Physician, Physician Practice, and Social Determinants of Health Data

Determination Date: March 15, 2021

This certifies that the protocol described above was submitted for review and it is determined that the activities do not meet the definition of human subjects research by the NORC Institutional Review Board (IRB00000967), under its Federal Assurance #FWA00000142, which is valid through July 19, 2023.

[INCLUDES]

A handwritten signature in black ink, appearing to read "Karen Grigorian". The signature is written in a cursive style.
