Survey Notices

Introduction:
The Maryland Health Care Commission, MHCC, has implemented this web based survey to streamline the process of entering and submitting timely data to us. Please provide accurate data when completing the survey. Your data is used for purposes of updating the State Health Plan, COMAR 10:24:08, including home health agency need projections, policy development and certificate of need (CON) review standards.

Survey Do's and Don'ts

Some fields on the survey have been populated for you from data provided from your 2014 (We not preloaded anything to start except agency contact information) Annual Home Health Agency Report. These fields have been locked. If for any reason you believe the data need to be changed, please contact us at the Commission office. Documentation to support your request will be required.

When entering utilization numbers, revenue or cost data, always round up to the nearest whole number. Do not enter commas or decimals; cents, or dollar signs.

When working in the survey application, do not use the web browser buttons, such as the back arrow, forward arrow, file etc. Data you have entered may not get saved and we will not be able to retrieve it for you.

Only use the X button on your Web Browser after you have logged out of the application.

A Help Function can be found at the top of this page. You may click on it to find description and coding specifications for each question as well as how to navigate the survey.

You can work in any section of the survey at anytime. You must however, click on the "Done, Save Changes" Button at the bottom of your screen to save your data in the particular section.

You must complete Section 3 on the Survey before you complete section 9(Jurisdiction Specific Information).
